CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA

Writer Describes Fraudulent Means Used To Obtain Unemployment Funds

By ROSS GRAHAM

(Editor's Note: This is the fifth of a series of ten special articles.)

Frauds against the California unemployment insurance fund do not constitute a major abuse, but they do help to deplete the fund which is steadily losing money, despite the record employment in the state during the last year.

Frauds play their part in setting up the condition where unemployment insurance benefits might be stopped entirely, the employers forced to pay a higher tax on their payrolls to replenish the fund, or the employees themselves again be forced to contribute 1 per cent or more of their pay checks towards the fund.

The employees have not paid into the unemployment insurance fund since May, 1946, when their 1 percent contribution was diverted to disability, or sickness, insurance.

In 99 per cent of the cases of fraud, the perpetrator is working at some job and collecting unemployment benefits at the same time.

In some cases a worker quits or is laid off a job that comes under unemployment insurance. He or she applies for benefits and at the same time goes to work in agriculture or domestic service.

NO RECORDS

Prior to the latest Congressional amendment to the Social Security setup, no reports were made from these occupations as they did not come under unemployment insurance. Therefore, there were no records to show the fraud to the commission.

Now domestics are under unemployment insurance, but only if regularly employed and receiving \$50 or more in wages from the one employer in a calendar quarter, so there still is a loophole for frauds.

The only way to catch these frauds is for the Unemployment Insurance Commission to have investigation of each claimant.

This at present is largely impossible, as the commission has only 32 investigators for the entire state. Approximately 100,700 persons a week received unemployment or disability insurance payments during September, according to the commission's report. Obviously 32 investigators could check but a small portion of this number.

Even so, the fraud investigators have done a remarkably good job, and when word gets around that the investigators are in the neighborhood, commission records show the claims take a sharp drop, indicating that there is fraud going on.

Between July 1, 1949 and June 30, 1950, a total of 3,432 investigations were made, which resulted in 1,142 court convictions. In addition, many cases were of a pretty nature and were settled by the commission without court action.

PRISON SENTENCE

As fraud is a felony, a prison or jail sentence is possible and the courts make the fraudulent claimants pay back the benefits wrongfully collected. In the petty cases, the commission gets restitution.

One of the common rackets is for the worker to have two or even more social security cards.

One case involved a waitress with two social security cards. She would work under one name, and card, long enough to establish wage credits, then would file a claim, draw benefits and go to work under the second name and second social security card. She would be drawing wages in a new job while drawing unemployment payments for the old job.

This suggests the Federal government could well tighten up on the issuance of social security cards. Apparently all a person has to do is apply for the card under any name and it is given without question, making such frauds as the foregoing possible.

A system of placing the thumbprint on social security cards, as is done on automobile drivers' licenses, with a penalty against a person who secures more than one social security card, might end this racket. But such a change would have to be made in Washington.

VOLUNTARY QUIT

As said before, outright fraud is not so much a problem as the "voluntary quit" where the claimant uses all sorts of subterfuges to avoid getting a job, meanwhile drawing unemployment insurance.

But they all add up to the reason why the unemployment insurance fund in California will have paid out approximately \$23,000,000 more

last year than it took in, according to the best estimates.

All kinds of illegal and improper payments to unemployment insurance chiselers of various sorts is estimated at the present time to amount to \$60,000,000 to \$75,000,000 a year at least.

If these rackets can be stopped, the money for the honestly unemployed workers of California will result in an increase in the unemployment reserve fund instead of a deficit, at least as long as the present full unemployment lasts.

But there are still other rackets that must be abolished if the fund is to be protected.

The next installment will tell about "lag quarter" situation, whereby a smart and unprincipled person can loaf on unemployment insurance a full year out of every 18 months.

Publisher Talks On Printing For Rotary Club

Clifford T. Cassidy, co-publisher of the Campbell Press, spoke on the "History of Printing," at the Monday noon luncheon meeting of the Campbell Rotary Club. Cassidy traced the history of printing from its origin in China of wood block printing and Gutenberg's invention of printing from individual type.

Benjamin Franklin, he said, was the founder of early printing in this country, he stated. In addition, the publisher gave a brief resume of printing processes and spoke on the position of the weekly newspaper in the field of journalism.

Chairman of the day Mario Salla introduced the speaker.

Next Monday the speaker will be Emerson Arendas, whose topic will be "The Lumber Industry." Salla will again be chairman.

During this week's meeting Forrest A. Reese was appointed chairman of the "On To San Jose Committee" for the conference on April 23 and 24 of District 155, Rotary International. The chairman has named the following to his committee: Homer Hyde, co-chairman; William Maderis, J. J. Payne, Cassidy, Robert Hicks, Robert Jasmine, Dr. J. Frederick Snyder, Norman Stoner and Alvin Hansell.

Founders' Day To Be Observed By High School PTA

Founders' Day will be the theme of the program for the Campbell High School Parent-Teacher Association meeting on Wednesday, February 14, at 2:30 p.m. in Bucs' Cove. Mrs. Laurance J. Hill will be the chairman.

"Hereditary Gifts of Our Founders" will be the topic of a talk to be given by Mrs. Leslie Wilson. The High School String Trio, composed of Beverley Clawson, Mardel Sanders and Joyce Klassen, will perform.

Past presidents of the unit and members of the Burbank unit will be guests.

Executive board members will meet at 1:30 p.m. in the superintendent's office.

Gilbert G. Loveday Services Held

Funeral services were conducted Tuesday, January 30, from the Rutherford Funeral Home, Campbell, for Gilbert Glenn Loveday, 41, who died January 25 in Tipton of pneumonia.

A native of Uvalde, Texas, Loveday is survived by his mother, Mrs. Oda Loveday of Campbell; brothers Lloyd Loveday of Campbell and Hayden Loveday of San Jose; sisters, Mrs. Maude Smothermon, Mrs. Effie Nelson and Mrs. Edythe Crawford, all of Campbell.

Dr. Willard B. Morell To Open Offices For Practice Of General Medicine Here

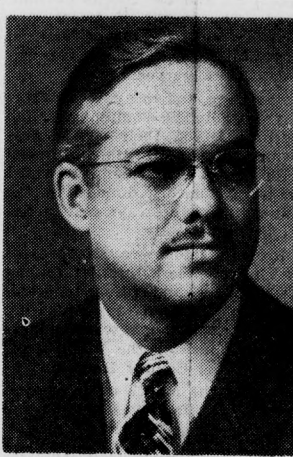

Dr. Willard B. Morell, M. D., has announced he will open his offices here for the general practice of medicine on Monday, February 5. The offices are located at 273 E. Campbell Avenue, upstairs in the Lloyd building. Office hours will be from 9 a. m. to 5 p. m. daily, except Sundays and Holidays. Evening hours will be by appointment, only.

Dr. Morell, a native of Michigan, completed his undergraduate work at Michigan State College. He is a graduate of the University of Michigan Medical School and served his resident internship at the Grace Hospital, Detroit, Michigan.

Upon completion of his initial residence in psychiatry he served in the armed forces both in this country and overseas for a period of three and one-half years. He returned to civilian life and practiced in eastern Oregon until he recently selected Santa Clara valley as his home.

The physician completed his post-graduate study at the University of California and is a diplomate of the American Board of Psychiatry and Neurology. In recognition of his work his biography appears in the latest edition of "Who's Important in Medicine."

Dr. and Mrs. Morell and their three daughters, Kay, 10; Karen, 8; and Becky, three, reside at 1590 Isabel Drive.

Dr. Willard B. Morell

MARCH OF DIMES LAGGING; CLOSING DATE IS FEB. 15

Campbell's contribution to the annual March of Dimes to fight infantile paralysis climbed to \$913.03 this week, still considerably lower than last year's total of \$1460. Campbell Union High School students are conducting the local fund drive under direction of faculty advisor George Egling.

Egling announced today that the dimes drive has been extended to February 15 in order to make a renewed effort to at least meet last year's total. Contribution canisters are still in place on local merchants' counters. There is still hope that more local organizations and individuals will donate to this nation-wide fund campaign.

In addition to organizations' donations listed last week, the committee has received \$7.80 from Orchard City Grange and \$5.84 from the Campbell Business and Professional Women's Club. Mail contributions from individuals climbed from \$92.60 last week to \$198.90 this week. Campbell High School's contribution has increased to 160.99 as the results of collections at a noon basketball game and a house-to-house canvass conducted Saturday by Roi Tri-Y. This latter brought in \$44.98. Campbell Grammar School sent in a total of \$99.77. Cambrian Elementary School's contribution of nearly \$400 is by far the largest donation to date.

Birthday Tea Of Country Club Next Monday

Country Women's Club of Campbell will have its annual birthday tea at 2:30 p.m. next Monday, February 5.

During the afternoon Mrs. E. R. Kennedy will give a resume of the club's activities through the years since its organization. The musical portion of the program will be presented by the Campbell High School Trio, consisting of Beverley Clawson, violinist; Mardel Sanders, cellist; and Joyce Klassen, pianist.

Those on the committee for the afternoon are Mesdames Felix Bersano, John Perata, Ernest Barron, Rex Fuller, C. E. Fagade, Milton Robertson, H. M. Shadle, Roy Stoner, Herbert Wagner and E. F. Whistler.

HITS CAR

Auto of Indrell Withrow of Campbell was smashed in a freak accident Friday when a huge lumber carrier, driven by Edward S. DeLaughter of Santa Clara, overturned in Santa Clara and struck the rear of Withrow's parked car. Withrow's car was pushed against rear of an auto registered to Charles Bolles of San Jose. DeLaughter, who suffered a wrenched back and leg injury, reported wheels of the big carrier locked as he was making a left turn.

CAMPBELL MAN CHARGED IN RESIGNING BROADCAST POST WITH ARMY NEWS

Boy Scout Troops Spend Weekend At Stuart Camp

Three Boy Scout Troops met at Stuart Scout Camp over a recent weekend to take part in outdoor Scouting activities which included compass training, cooking, measuring methods, stalking, tracking and other Scout games.

Troop 31, Campbell Congregational Church, was represented by 10 scouts and 4 leaders who carried out an intensive training program while in camp. The following scouts attended: Jimmy Keech, Roger Atkinson, Vernon Lunt, Joseph Cascio, Warren Davis, Gary Cobb, Arthur Sutton, Billy Ammon, Oliver Anderson, Pete Parysek, Scoutmaster Harding Smith and Committeemen Floyd Munson, Howard Keech and Bob Beck were leaders of the group.

Troop 40, Saratoga Lions Club, hiked in with full packs and set up in the Indian Village area. An exploration hike and campfire program highlighted their stay. Sunday the troop hiked back with their packs neatly arranged. Clyde Wilson, scoutmaster, had the following scouts with him: Tom Cox, Don Geoffroy, Bud Foster, Dennis Herschback, and Clyde Wilson Jr.

Troop 12, St. Mary's Church, Los Gatos, hiked in over the Mt. Pleasant trail with their scoutmaster, Floyd Brown. Main features of their stay in camp were a big spaghetti dinner prepared by Jim Cuciz, and participation in a lashing and knot-tying demonstration, followed by practice of erecting different types of tents.

Firm Fined

San Jose Cigarette Service, Inc., of Campbell, has been fined \$1,500 for violations of Federal anti-trust laws. The firm was charged with maintaining a fixed level of commissions to owners of locations using the company machines. The firm neither denied nor contested the charge.

FIRST BAPTIST CHURCH OF CAMPBELL TO DEDICATE NEW EDIFICE SUNDAY

Members of the First Baptist Church of Campbell will dedicate their new church edifice this Sunday at a special program to begin at 2:30 p.m. The church, at 81 N. First Street, has been under construction for the past year, with members of the church and their friends doing the work after hours and on holidays. Much of their material was donated. The Rev. Robert Edward Townsend, assistant professor at the Golden Gate Baptist Theological Seminary of Berkeley, has been the minister since his assignment here shortly after Christmas.

The church was organized on August 4, 1946, by nine Campbell Baptists. Six other persons joined the church during the first month, and there were 23 more by the end of the first year. The church now has 55 active members. Since its organization, services have been conducted at the Scout Hall on Third Street. The Revs. C. L. Crider and L. W. Rowland were its first ministers.

Seating capacity of the new white stucco building is 250. In addition to the main auditorium, paneled in knotty pine, there are Sunday school classrooms, a nursery, kitchen, baptistry at the rear of the altar platform, storage room and lavatories.

Representatives of many other Baptist churches in the valley will attend the dedicatory service this Sunday afternoon. Don Justice will open the program with a song service, to be followed by the Rev. Crider, who will give the invocation. Mrs. Eva Galloway, charter member of the church, will speak on the church history.

Miss Mary Catherine Baum, director of music at the Golden Gate Seminary, will offer the special music program. Rev. Rowland will present the Scripture reading, after which the Rev. Floyd Looney, editor of "The California Southern Baptist," will

comed. All memberships ar
ductible from income tax.
Contributions should be mailed
Guide Dogs for the Blind, Inc.
1458 Sutter Street, San Francisco,
or to Mrs. Nelson, at the above
address.

Mrs. Nelson announced this week she hopes to arrange for a special visit of guide dogs and a trainer here on February 16 shortly after noon. The trainer would demonstrate work of the dogs. Probable location of the exhibit will be at the corner of First Street and Campbell Avenue in front of the library building.

Guide Dogs for the Blind was founded eight years ago in San Francisco and is dedicated to the breeding, raising and training of guide dogs for the blind living in the western states. This service is rendered without cost to the blind or to any governmental agency.

Every cent received from contributions is devoted to the production of guide dogs and to the training of blind people in their use. The organization exists through the volunteer services of individuals and the generosity of the public.

Minehart charged that the AFN suppressed reports of foreign policy statements by former president Herbert C. Hoover, Republican Senator Robert Taft of Ohio, and Republican Senator William Knowland of California, on grounds these speeches and other international incidents showed dissension in the United States.

Reports of statements by the above U.S. political leaders were at first kept off the network entirely, he claimed, then later given some considerably modified airing. Minehart added that the newscasters were told not to associate the Dutch political crisis with General Dwight Eisenhower's visit to the Netherlands, and that the newscasters were told not to refer to the Russians as "Russians" but as "Soviets," "Moscow mob," "Kremlin clique" or "Soviet aggressors."

West German remilitarization was not to be described as such, but as "West German contribution to Western defense," the Campbell man charged.

Minehart, who is not married, last visited in Campbell in November, 1949, before leaving for his Frankfurt assignment. He is a graduate of the University of Oregon's school of journalism and took postgraduate work at Northwestern University. He attended high school in Portland, Oregon.

RADIO EXPERIENCE

While attending the University of Oregon Minehart worked as a newscaster and program director for a radio station at Eugene, Oregon. He served in the U. S. Army during the war, as a radio broadcaster for the Army station in Manila, P.I. After the war he was news editor and newscaster for station KYA, San Francisco, from 1948 to 1949.

He maintained his civilian status as newscaster and correspondent with the AFN in Germany.

Chamber Board Meets Monday On Current Projects

Board of directors of the Campbell Chamber of Commerce will meet Monday, February 5, at 8 p.m. in the Campbell Press office, 21 Dillon Avenue.

Discussion topics will include Old Settlers' Day, the whiteway on Campbell Avenue and Winchester Road, Campbell Dollar Days (February 1, 2 and 3), and the dinner meeting for the entire membership of the Chamber. This meeting, on February 28, replaces the regular February 21 meeting of the chamber, and will be held at Martin's, San Jose-Los Gatos Road at Campbell Avenue. Reservations are limited to 50, and should be made as soon as possible with Secretary-manager Forrest Reese, Campbell 3303 or 3442. Members and their wives and all persons interested are invited to attend. An outstanding speaker has been scheduled for the program.

Grammar School PTA Meeting On Founders' Day

Campbell Elementary School's Parent-Teacher Association will have its annual founders' day observance next Tuesday, February 6, at 2 p.m. in the school auditorium.

Speaker for the meeting will be Mrs. Winifred Jecker, whose subject will be "The Homes of Tomorrow."

Refreshments will be served in the cafeteria by mothers of fourth grade pupils. Executive board members will meet at 1:15 p.m.

Community Club Members Tour Fiberglas Plant

Campbell Community Club members and their husbands recently made a tour of inspection through the Owens Corning Fiberglass plant located in Santa Clara.

The evening at the plant was made possible by Mr. Wayne Thompson and the Owens Corning plant. The group of twenty-one then met at the home of Mr. and Mrs. Earl Clark where refreshments were served.

The ways and means committee of the Campbell Community Club recently served their second fraternity dinner at the Campbell High School. Club members voted to serve monthly dinners to the fraternity as the ways and means project until July.

Projects under way at present by club members include: folding of bandages and refuse containers for the San Jose Visiting Nurse Association; sewing slippers and pajamas for the tuberculosis ward at the County Hospital.

During the month of January a kidnap breakfast was held at the home of Mrs. Mathew Vessel.

Community Club members were guests at the birthday tea of the Woman's Service Club of Campbell. Those able to attend the tea from the Community Club were: Mesdames William Beyer, Earl Clark, Hector Daves, Richard Drew, George Egling, Verlyn Fellman, Verle Grizzle, George Kemp, Donald Lantz, Thayer Lyons, George Miller, Reese Parker, Wayne Thompson, Allen York, Donald York and Miss Marilyn Toy.

Auxiliary Unit To Enter Float In OSD Parade

Report on the new unit uniforms was given by the uniform committee at the regular meeting of Campbell American Legion Auxiliary 596 on Wednesday evening, January 24. President Mrs. Rex Kaber conducted the business session.

Material for the uniforms is being distributed and several dresses are nearing completion. The sewing club will meet at the home of Mrs. Chester M. Clever soon to further the uniform project. The uniforms will be worn at district meetings, funerals, parades and on Poppy Day.

Unit members voted to enter a float in the February 22 Old Settlers' Day parade.

Members who attended the school of instruction in San Francisco on January 24 were Mesdames Rex Kaber, Clarence Fagalde and William Burch. After their meeting unit members met with the Legion post for refreshments.

Mesdames Kaber, Arthur Smith, Guy Smith, Burch, H. R. Strickland, Leslie Fairchild, Fagalde, John Morley and Herbert Myring attended the Thirteenth District convention at Burbank on January 28. Sessions began at 10 a.m. with Mrs. Herman Newman, district president, presiding. Reports were given by the various chairmen, and speakers were Mrs. Cecelia McKinnon, state auxiliary president, and other department officers. Luncheon was served at Lawrence's Inn.

Kindergarten Parents To Meet At Moreland

Parents of kindergarten pupils at Moreland Elementary School are invited to attend a special meeting next Tuesday, February 6, at 2 p.m. in the school cafeteria. The film, "Preface to Life" will be shown.

Mrs. Ruth Maher, psychiatric social worker for the Santa Clara County Mental Health Society, will be the speaker.

Primary grade teachers will be introduced, as will Miss Maxine Trivelpiece, school nurse, and Mrs. Lauretta Hall, speech teacher. Mrs. Bertha Hoagland is the kindergarten teacher.

Refreshments will be served. Parents and interested friends are invited to attend.

Mankind will be God-governed in proportion as God's government becomes apparent, the Golden Rule utilized, and the rights of man and the liberty of conscience held sacred.—Mary Baker Eddy.

MRS. POLITIS TO TALK TO GARDEN CLUB

Campbell Garden Club will hear an address by a member of the Oakland Herb Society at its meeting on Wednesday, February 7 at 2 p.m. in the Campbell library building.

Mrs. George Politis will be the guest speaker. The program will begin at 3 p.m. All persons interested are invited to attend.

Kwanzan cherry trees, donated by the club as part of its contribution to the community-wide tree planting project, have been planted in front of the library building and St. Lucy's Catholic Church.

By JERRY THOMAS

PERSONALITY SKETCH...
This literary gem on Bert Robinson of the Physical Education staff at Campbell high school readily may be labeled "home grown, home raised, home tested, and home approved."

Currently the Buc basketball coach, Robinson, has lived his 28 years almost entirely in Campbell with the obvious exception of three years in the service and a brief period down south.

He is one Campbell athletic star that made good in college, learned the art of coaching, and returned to his high school alma mater to resume his life-long acquaintances.

LOCAL OPPORTUNITY

We are not intimating in any mode or manner that he couldn't make coaching his career elsewhere. In fact he took a fling at junior college coaching before set-

ting locally. He was assistant football mentor at Bakersfield J.C. for two years in addition to tutoring the cage five. But when the current opportunity presented itself, Robbie eagerly accepted.

"I consider myself fortunate and my job a pleasure," he said, "I'm quite lucky to be able to hold down a coaching position at the high school from where I was graduated."

To say that this youthful-looking Campbellite who walks under a perpetual crew cut was efficient in athletic activities would be a masterpiece of understatement.

While matriculating at Campbell high Robbie earned six letters. That in itself is not amazing but in those days a team had to win half its games before any awards and monograms were issued.

During his four-year stay at Bucland (1935-39), Robinson was named as All-SCVAL end on the first mythical grid team. This honor was won while he was a senior. Unlike many avowed athletes of today that attend various schools for the sole purpose of engaging in a certain sport, Robbie proved himself academically and socially by being voted Student Body president in 1939.

He was not a one-sport gent, to say the least. He earned

BERT ROBINSON

two letters in football, two in basketball and the remaining two in track. He expanded his versatility when at San Jose State college by getting a letter in baseball.

Bert is one of three Robinson boys that grew up locally and attended Campbell schools. The baby of the family (he'll love us for saying that) he was born on S. Second avenue. His parents, Mr. and Mrs. T. A. Robinson still reside in the same house.

HIS PET SPORT

But it was in basketball that Robbie excelled but for sure. It always was his prime love although he enjoyed active participation in any sport.

While at San Jose State he established himself as one of the Spartans' all-time guards. In fact SJS Coach Walt McPherson rates him as one of the top four guards ever to play during his eight-year regime.

Robinson was noted for his scoring eye. It was his duty to prevent the other team's ace point-getter from living up to his press clippings. A rock on defense, Robinson was San Jose's No. 1 backboard man and rebounder. As soon as he donned a Spartan uniform he became the squad's playmaker, pace-setter and all-around floorman.

The local-bred cage star was twice captain of a Spartan basketball team, one of the few times the honor was given to the same man again. Checking our proper brochure compiled by Danny Hill, SJS athletic news director, we discovered that Robinson is the third Spartan to captain the team more than once. The last time the honor was allotted was in 1930 when Tom Maloney led the State hardwood aggregation for the second time.

SPARTAN CAGE CAPTAIN
Robinson's first term as team leader was during 1942-43 season. The following year found Robinson in the Air Force, flying B17's over Europe. He spent about 36 months in the military, a year of it overseas, and has been accredited with 51 combat missions. He was discharged with the rank of 1st Lieutenant.

The modest, fun-loving Robbie returned to San Jose State college in time for the 1945-46 hardwood season. Outwardly at least and physically he was the same Robinson that left campus three years ago.

McPherson said, "He was one of the few veterans unaffected by the war. He maintained the same team attitude and spirit that prevailed before his G.I. hitch."

THE CAMPBELL PRESS SPORTS

Buc Cagers Tangle With San Jose Tech Tomorrow; Succumb To Los Gatos, 49-36

Having literally "fouled" away a SCVAL game to Los Gatos high, the Campbell high school cagers return to the league wars tomorrow night when they meet San Jose Tech on the latter's home court.

As usual, the two 130's of both schools will tangle in the preliminary, starting at 7:30 o'clock.

In Friday's tilt with the Wildcats, the Bucs had three key players leave the game via the personal foul route as Los Gatos pulled away to a 49 to 36 win.

A capacity crowd made seating a problem at the local gym. Both sidelines were overflowing with spectators. For half a game, while the starting five was intact, Coach Bert Robinson's squad gave the undefeated league-leaders a rugged tussle. Intermission found the score 19-15 with the 'Cats leading.

The second period, late in the opening half, had Jumpin' Jack Bray, Buc stellar center, foul out. This left backboard control solely in the hands of the taller Wildcats.

As the third quarter progressed, this added advantage began to assert itself. The ultimate victors led 35-24 at the three-quarter mark and as the final whistle blew they were slowly pulling away.

Stan McKully and Dave Baxter, Campbell forwards, also departed early, guilty of five personals. Bray, second high scorer in SCVAL play going into the fray, tallied only two points, a bucket in the second period. Local scoring honors were shared by McKully and Saul Estrada who netted seven points apiece.

Although Los Gatos hit for 20 field goals as compared to 13 for the Bucs, many of them resulted from tip-ins and follow-ups as backboard control once again proved vital.

Guard Northcutt of the Wildcats paced all scorers with 15 points, seven baskets and one free throw.

Going into the San Jose Tech

Soft-spoken and shy until he gets well acquainted, Robinson captained the '45 squad to 17 victories, the Spartans' first winning season in four years.

THE BEST OF THE REST
When asked what was Robbie's greatest game played at State, McPherson replied, "His finest game and one of the best bits of guarding I ever saw occurred in 1941 when we met a strong Moffett Field team loaded with cage stars." Robinson was assigned to guard Bruce Hale, the all-time great from Santa Clara university who later played several years of professional ball.

Hale was "held" to 12 points while Robinson himself tallied 24 points, the Spartan coach said. In addition, the Campbell guard played a top-notch floor game.

Married in 1946 to Sydney Smith of Lodi, Robinson is the father of David, a 3½ year old curly-haired youngster. The trio now reside on Milton avenue directly behind the football field.

the Bucs possess two wins and two losses in loop competition. Last year, Robinson's crew could amass only two victories during the entire season of league play.

SJ Tech has compiled a league record of one win and three defeats thus far this year.

General Track Call Gets Record Reply

A record number of Campbell high track and field hopefuls answered last week's general track call issued by Cinder Coach Junior Morgan.

Approximately 130 men signed up Thursday and Friday. Track warm-ups will be issued today and tomorrow during the gym periods, Morgan said.

With outdoor pre-season practice slated for Monday, Feb. 5, Morgan said that a group of seven returning lettermen will form the nucleus of this year's squad.

Back for another crack at the mile is Rod Kolze, defending SCVAL champ. Another Valley title-holder is Charlie McBain. He will try to defend his laurels in the low hurdles.

Jack Bray, who tied for first place in the high jump, will report as soon as the basketball season ends. Pressing Kolze in the

Santa Cruz Added To Buc Grid Sked

The Campbell high school football team will meet Santa Cruz high this fall, according to an announcement made by Grid Coach Jim Muir yesterday.

Plans are still in the tentative stage. At this writing the date and place of the game have not been determined.

Santa Cruz is a member of the powerful Coast County Athletic League. The contest marks the first time the two teams will meet on the gridiron, although a keen rivalry has developed in basketball and wrestling.

This is the eighth game definitely scheduled by the Bucs. They will also participate in seven Santa Clara Valley Athletic League games.

Howard Kaeding, top high hurdler, also figures prominently in Coach Morgan's plans.

CALIFORNIA SPEAKS

EDGAR W. ALLEN, Editor, Brentwood News — "We bought Alaska from Russia for \$7 million — now we are spending at least a hundred times that much to keep Russia from taking it back."

ALBERT K. CHOW, S. F. Chinese-American — "99.7 per cent of the Chinese people throughout the United States are anti-Communist."

DR. C. C. TRILLINGHAM, L. A. County Superintendent of Schools — "Don't get upset when you learn your child isn't a genius — be thankful he isn't a moron."

Monterey was the seat of government of most of the Spanish and Mexican rulers of California until the United States flag was hoisted there in 1846.

You'll Be Delighted!

Matmen Trounce Santa Cruz High, 50-3; S J Tech Next

In one of the most convincing exhibitions of high school wrestling, the Campbell mat team overpowered Santa Cruz high Tuesday afternoon in the Buc gym by the torrid score of 50 to 3.

In high school competition a maximum of 55 points may be attained. With 11 matches constituting a meet, each matman must gain a pin (five points) to assure the utmost score.

After losing the opening match by a decision, Campbell captured eight out of the remaining 10 matches by pins. A complete sweep of pins could not be gotten since two matches were won by forfeit. Coach George Miskulin's team has now posted 15 wins via pins in the last 22 matches. Friday the Buc defeated Los Gatos 38-13 with seven matches being pins for Campbell.

Tomorrow the Bucs meet San Jose Tech in a league meet in the local gym. Thus far this season

they have won four meets while losing one, that a SCVAL dual to Santa Clara high.

Miskulin expressed satisfaction with the week's activities. He added that he hopes his charges will be as physically fit for the SCVAL tournament to be held in the Campbell gym Feb. 17.

The all-day affair will have the eliminations and semifinals in the morning and afternoon with the featured finals set for the evening.

This all-league tourney marks the second successive year that the Bucs have been selected as hosting team.

Following are the results of the Campbell-Santa Cruz meet:

103-Rakstad (C) was decided.

112-Vossler (C) won by pin in second period.

120-Barton (C) won by pin in first period.

127-Farnham (C) won by pin in second period.

133-Duarte (C) won by pin in second period.

138-Lopez (C) won by pin in second period.

145-Cadena (C) won by pin in second period.

154-Stepovich (C) won by pin in third period.

165-Lynes (C) won by forfeit.

175-David (C) won by forfeit.

Hywy-Porter (C) won by pin in third period.

The love of liberty is the love of others; the love of power is the love of ourselves.

Campbell Faculty Trips Buc Varsity In Gala Cage Tilt

With the tenacity of youths and the forethought of adults, the faculty of Campbell high hung on to a two-point lead in the final minute of play to defeat the Campbell varsity 32 to 30 before a receptive crowd of students Tuesday afternoon.

In what probably will be an annual affair, the "oldsters," paced by not-so-old Junior Morgan and Bert Robinson, came from behind in the last three minutes to snatch victory away from a determined and eager Buc five.

Practically every able-bodied male instructor participated in the contest under the coaching of Ralph Noddin, former Campbell cage mentor of years ago. Noddin, enjoying the return to action, actually capped the festivities by wearing a head ensemble that looked like a battered top hat that gave up. It might have been a disguised beany at that.

Among the players cavorting for the Faculty team were Messrs. Lanlow, Newberry, Egling, Muir, Bears, Brown, Rogers, Coffey, Wallace, Stephens and Walken.

Morgan led the scorers with 13 points, six buckets and one free throw. Robinson followed with 11 points. The remaining eight markers were netted by Egling (4) and Rogers (4).

A total of 25 Campbell varsity cagers took potshots at their academic lords throughout the tilt. It must be confessed that the starting lineup that plays the majority of SCVAL games did not assert too much pressure the short time it played.

The student body divided itself into two separate rooting sections and kept the local gym ringing with continuous cheering.

A number of faculty members who considered themselves either too ancient or not physically fit lent moral and vocal support from the bleachers.

W. P. FULLER BRAWNER, S. F. March of Dimes Chairman—"It takes a lot of dimes to buy an iron lung or to provide a year's hospital care for a stricken child."

FLEET ADMIRAL CHESTER W. NIMITZ, USN, (Ret.) at Stanford U., on the United Nations—"Everybody loves a winner, but not every battle can be a success."

Laymen's Sunday To Be Observed At Methodist Church

The entire worship service at the Methodist Church Sunday morning will be conducted by the laymen of the church. Robert W. McCall, lay-leader of the church, will be the worship leader. The opening call to worship will be given by Robert Swan. Laurance J. Hill will direct the reading of the responsive scripture.

After the congregational singing of the "Gloria Patri", George B. Kemp will read part of the Sermon on the Mount as the scripture lesson. William W. Beyer will give the morning prayer, and George H. Heiser will be in charge of the offering and prayer of dedication. Howard Guilbert will conclude the service with the closing prayer and benediction.

HAACK TO SPEAK

C. R. Haack, formerly of Campbell but now of Saratoga, will be the featured speaker for Laymen's Sunday. This is the fourth year Mr. Haack has given his inspirational message to the congregation. He is well-known for his eloquent and forceful speaking.

The church choir will sing an anthem under the direction of Arthur Huff.

Mrs. La Morte's Brother Dies

Rocco V. Mazzone, 67, Alameda Road rancher and brother of Rose La Morte of Campbell, died January 28 in San Jose after a brief illness. He was a native of Tricarico, Italy.

Funeral services were held Wednesday, January 31, in San Jose followed by solemn requiem mass at Holy Family Church. Burial was at the mausoleum of Santa Clara Catholic Cemetery.

Mazzone is survived by widow, Rose Mazzone of Los Gatos; sons, James, Benjamin and Nicholas Mazzone and daughter, Mrs. Theresa Guardino of Los Gatos; sisters, Mrs. I. La Morte of Campbell and Mrs. La Morte of San Jose, and grandchildren.

A Car In The House

An unexpected visitor put in an appearance Thursday night of last week at the home of Oscar Hawkins 20 S. San Jose-Los Gatos Road. The visitor was a car driven by Bob Goodby. The vehicle went out of control and crashed against the living room wall of the Hawkins house.

Moorpark PTA Has Panel On Reading

A panel discussion on reading proved very interesting to parents attending the January meeting of the Moorpark Parent-Teacher Association at the school. Members of the panel included four teachers: Mrs. Ori DiBenedetti, Mrs. Otto Peterson, Mrs. Robert Olmstead, and Mrs. Grace Fairbanks, who explained the methods of teaching reading, and Mrs. Eugen Andres; Mrs. R. T. Overacker and Mrs. Wilson Hearn, who asked the questions. Mrs. Clyde Dearborn was chairman of the program.

A nominating committee, including Mrs. Eugen Andres, chairman, Mrs. Clyde Dearborn, Mrs. Hugh Findley, Mrs. Ralph McKee, John Duncan, and Mrs. Homer Townsend, was nominated to select candidates for officers for the 1951-52 term. Mrs. Homer Townsend, Rag Drive chairman, announced that a rag drive would be held the following week.

More "Play Ladies" are needed to help entertain convalescent children at the County Hospital, according to an announcement made by Mrs. Andres. Mrs. Hugh Boyle, health and child welfare chairman announced that a course in Home Nursing would be offered members if twelve or more signed up. She also urged members to become blood donors.

Other announcements were made by Mrs. Vincent Lindquist about the home demonstration meetings held every month at the Roselawn Methodist Church, and a report on the number of magazine subscriptions sold, by Mrs. Duane Moore, magazine chairman.

After the meeting, refreshments were served by room mothers. About 50 parents were in attendance.

Grammar School News Notes

CAMPBELL

The eighth grade boys and girls at Campbell aren't sleeping very well, for they are expecting a big test any day now. For the last month and a half they've been memorizing facts about our Constitution. Believe me, it isn't easy on the nerves, because they never know when the test is going to be given. They're always afraid they'll forget. This test is going to be half of the decision on whether or not they graduate. Wish them luck.

Danice Solomon
Mrs. Hillard's L-4

MOORPARK

We have been enjoying our unit on the Postoffice. We have learned about the cancelling machine and how letters are sorted. Sometimes a letter carrier carries as much as fifty pounds of mail in his letter bag.

We are also learning to read the signs above Postoffice letter slots such as "Local," "Air Mail," and "Outgoing."

We plan to build our own postoffice so that we can mail our valentine cards on Valentine's Day. Mrs. Cassidy's Second Grade.

J. L. Tompkins Held For Manslaughter

John Lee Tompkins, 45, of Camp was arraigned on a charge of manslaughter January 17 by Justice of the Peace John P. Dempsey in San Jose. Tompkins is accused of driving the car which struck Carl O. Kampe, January 13 on San Jose-Los Gatos road at Pioneer avenue. Kampe died of injuries.

Tompkins' preliminary examination was set for 10:30 a. m. Monday. He was released from Santa Clara County Jail on \$2000 bond.

DO'S AND DON'TS FOR SAFETY

Atomic Blast Need Not Be Fatal

(In this column is continued the publication of the U. S. Government's booklet, "Survival Under Atomic Attack.")

WHAT ABOUT GROUND AND WATER BURSTS?

Surface bursts usually leave a limited area radioactive. Bursts on or near the ground usually will leave a limited area of rather heavy and often dangerous pollution near the explosion point. In such cases, the possibility of harm from radioactivity falling out of the clouds is greater than in high-level explosions. But even so, a person could escape contamination by simply taking refuge inside a house or even by getting inside a car and rolling up the windows. And even if some of the wastes fell on him, he would lessen his chances of injury if he promptly shed his clothes and took a bath or shower.

Underwater A-bombs produce serious lingering radioactivity. In underwater explosions, large portions of the bomb's radioactive wastes will be "trapped" by the water and then spread over the immediate area. Under these conditions, serious ground pollution is to be expected. After a water or underground burst a cloud of very radioactive mist or dust might form and spreading particularly downward, injuring people who weren't well sheltered.

Stay under cover for at least an hour after ground or underwater bursts.

The radioactivity from your wrist watch dial can be detected easily. But always remember our sunlight comparison. There is usually a whole of a difference between detectable and dangerous amounts of radioactivity. The rays and particles from an ordinary, luminous dial wrist watch will cause

no harm, but they will cause a Geiger counter, as just one example. We must not lose our heads just because radioactivity is reported as present.

WHAT ABOUT PROTECTING YOURSELF FROM LINGERING RADIOACTIVITY?

Cover yourself to avoid contamination with radioactive materials. While attempting to avoid exposure to the bomb's blast, heat, and explosive radioactivity, also do what you can to keep from being showered by radioactive waste materials. Inside a shelter or building there is little or nothing to fear from this source. But if caught out-of-doors, try to grab hold of something to cover yourself with when you fall to the ground.

A board or some sheets of newspaper might help, but a raincoat would be better. The object is, of course to keep radioactive dust and raindrops off your body and clothing. When it's safe to get up, throw away your covering.

Do all you can to help other people.

Always do what you can to help other people. There is no chance of your being harmed by radioactivity from the bodies of others, even if they have radiation injuries. Don't leave injured people where they may be burned. Direct rescue workers to persons trapped in the wreckage. If necessary to bandage open cuts and wounds and no standard first aid equipment is available, use parts of your own or the victim's clothing. But tear them from the under, not the outer garments. Underclothes are far less likely to be contaminated by radioactivity.

Change all outer garments after leaving a contaminated area. If you have walked through rubble from a ground burst or water from an underwater burst, be sure to change at least your outer garments and shoes. Outer clothes will automatically serve as a "trap" for most of the radioactivity you may accidentally pick up.

CAMPBELL REGISTER

POSTMASTER IRA GRIM of Campbell was elected secretary-treasurer of the Postmasters' Association of the Eighth Congressional District at a meeting Saturday in Morgan Hill. Some 50 district postmasters and their wives attended the gathering at the Villa Club.

Little LINDA LEE MARTIN observed her fourth birthday on Thursday, January 25, at an afternoon party attended by 16 of her young friends. Refreshments were served by Linda Lee's mother, MRS. RAY MARTIN, assisted by MRS. HAROLD MARTIN.

A widely traveled infant is the five weeks old daughter of ENSIGN AND MRS. DON SMITH. At the age of three weeks (on January 15) she flew with her mother from Seattle, Washington, to spend two weeks with her grandparents, MR. AND MRS. HARRY SMITH of 21 Sunnyside Avenue, Campbell. Last Sunday she and her mother left via International Air Lines to fly to Honolulu, T.H., there to await the arrival of Ensign Smith from Japan. Visitors in the Smith home on Saturday were LIEUTENANT COMMANDER AND MRS. HARRY LAWRENCE of Monterey, brother-in-law and sister of Mrs. Don Smith.

MR. AND MRS. FORREST A. REESE of White Oaks Avenue, observed their thirty-fifth wedding anniversary yesterday, February 1. The former Irma A. Aue and Reese were married at Camp Sherman, near Montgomery, Alabama, during World War I. Mrs. Reese is a native of Toledo, Ohio. Her husband, born in Roanoke, Virginia, moved to Toledo in 1915.

In 1947 California was the leading state in the consumption of cement and ranked second to Pennsylvania in cement production.

Films And Lecture On Navajo Race At SDA Church

A full evening of Kodachrome pictures will be shown at the Campbell Seventh-day Adventist church, corner of Fourth Street and Rincon Avenue, on the evening of Friday, February 2. The films will show conditions existing on the Navajo Indian reservation in northern Arizona.

Elder Ordell R. Rees, secretary of the Board of Home Missions for the Central California Conference of Seventh-day Adventists, recently returned from his second trip to the reservation. He also visited the SDA mission near Holbrook, Arizona.

Mr. Rees will lecture on the Indians, giving their history and describing present conditions of starvation and telling of possible annihilation of the race unless the

Navajos are given adequate aid. Mr. Rees has stated that the story of the Indians is one of witchcraft, starvation and death. Of every 12 Indian children born on the reservation, he said, an average of about three live to the age of 10 years or more. "There is a reason behind every death," he stated, "and this reason will be revealed at the lecture to be given on February 2 at 7:30 p.m." The public is invited to attend the program which is under the auspices of the local Missionary Volunteer Society.

NEWS OF THE CAMP FIRE GIRLS

Camp Fire Girls of Campbell, who have collected and turned over to the Red Cross over 2000 pocket size books and magazine for distribution to ships and hospitals over seas, will be interested in the following letter recently received by one of the Campbell groups from a sailor aboard a U.S. ship in Korean waters. Also interested will be Campbell residents who contributed the books:

LETTER OF THANKS
U.S.S. Warwick
At Sea
Dec. 31, 1950

Dear Little Camp Fire Girls:
Hello there, how are you? Fine, I hope.

This letter is from a sailor, who is aboard a ship over here in the War Zone and who, after reading many of the books and magazines, realized you must have spent many hours collecting them to send to soldiers, sailors and marines of your Country. You deserve a lot of thanks and I personally want to tell you I appreciate it.

We are very busy over here and during our off duty hours, writing letters home and to our friends, and reading books and magazines, are our favorite pastimes. But if it weren't for you and others like you, there wouldn't be much to do.

I was a Boy Scout during the last war and we did the same thing, collected books for our fighting men, and one day we got a letter from a Marine who was on an island in the Pacific, thanking us for our efforts. That letter really made me and the other Boy Scouts proud, to be able to help in our own little way and to know the hours we spent collecting them was appreciated. Now, this little war in Korea came along and this time I am in the Marine's place and you are in mine so I know that you will be glad

Letter to the Editor

THE CHURCH OF THE GOOD SHEPHERD (Lutheran)
San Jose, Calif.

The Campbell Press
Gentlemen:
At the annual meeting of the Lutheran Church of the Good Shepherd in Willow Glen I was directed to write you and thank you very much for the many kindnesses extended to this congregation during the past year. The advertising and articles have aided a great deal in the growth of this congregation.

Yours truly,
HELEN BERG, Secretary

Hamilton Scouts To Commemorate National Birthday

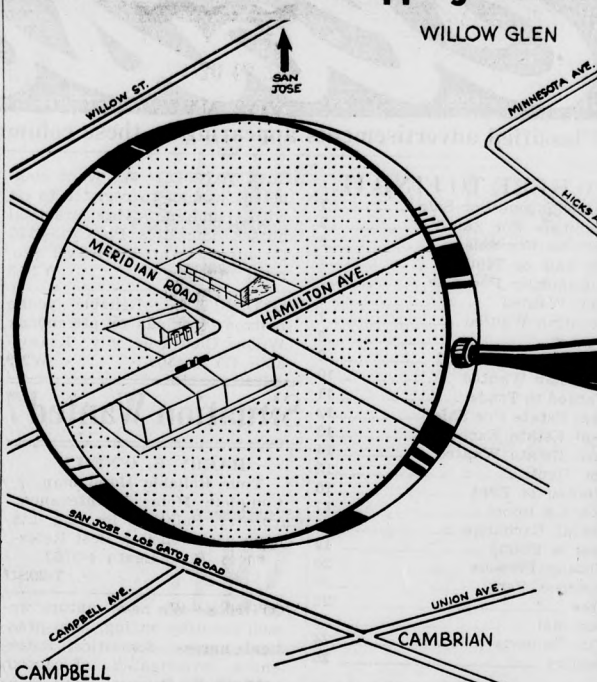

At a recent Parent committee meeting, held to plan events for the Hamilton area cub pack, it was revealed that a Blue and Gold potluck supper will be held soon.

Date for the event is February 23, according to Mrs. Al Barreau recently. She said that the affair is being planned to celebrate the birthday of scouting, a national event, since February is National Scout week. Various troops and packs in Willow Glen will commemorate Scouting with similar Blue and Gold suppers.

Besides the committee meetings held once a month, each Den meets at Den mothers' homes each week. The Hamilton area pack has two Dens and a third one that may be coming in.

The pack is a Campbell pack since the Hamilton area is in the Campbell school district. There are eighteen boys who belong at present to the Cubs, and most of them come from the area near Willow Glen. Garland Bachman is Cub Master over the group.
